Purpose:

The Lenawee County Continuum of Care was established to provide the homeless with access to shelter, resources, and services and to raise public awareness about homelessness in Lenawee County, Michigan. To this end, we are committed to becoming more aware of existing needs for shelter and related services offered within the community and to connecting the homeless with services and resources. We strive to meet the needs of the homeless and work towards providing, identifying and satisfying the needs of the homeless in an effort to eliminate homelessness in Lenawee County.

- d. CERT Team
- c. Are any workgroups done with their projects? Do we need to form any new workgroups?
